**Data Request No. 4**

- A. For each current residential prescriptive rebate program, please provide a line by line comparison of (A) the amount of the rebate for each measure; and (B) the amount of the proposed rebate for each measure in the new energy efficiency plan.
- B. Please provide the proposed residential prescriptive rebate for any new measures in the proposed new energy efficiency plan.
- C. Please identify and provide a complete explanation of why any residential prescriptive rebate, if any, in the current energy efficiency plan is not in whole or in part in the new energy efficiency plan.

**Response**

- A. Please see OCA DR 4 Attachment A (included on a CD-ROM) for a comparison of the current and proposed residential prescriptive rebates. The proposed rebates are identical to the information provided in Table 1 of Appendix B of IPL's new energy efficiency plan filed on April 23, 2008, in Docket No. EEP-08-1. As noted in that Appendix B, all proposed rebate characteristics are preliminary and subject to change based on on-going collaboration with other utilities.
